

Tees Valley Nature Partnership

The role and membership of the TVNP Management Group

1. Purpose and role of the Management Group

The work of the TVNP Board will be underpinned by a Management Group. Its role will be;

- To implement strategic decisions of the board by developing delivery mechanisms
- To support the board with knowledge, expertise and recommendations as required
- To monitor, action and review progress against the partnerships objectives
- To provide a communication link between the board and the delivery groups to ensure effective working

It is anticipated that the group will meet quarterly.

A meeting of the Shadow Management Group will meet on Tuesday 11th December 2012 (10am Billingham Beck Woodland Centre) and the TVNP Board (meeting 22nd January 2013) will formalise the terms and membership of the Management Group .
