HLF North East

The importance of Landscape Partnerships

LP and the North East

Key facts about the programme

Funded projects

Things to think about

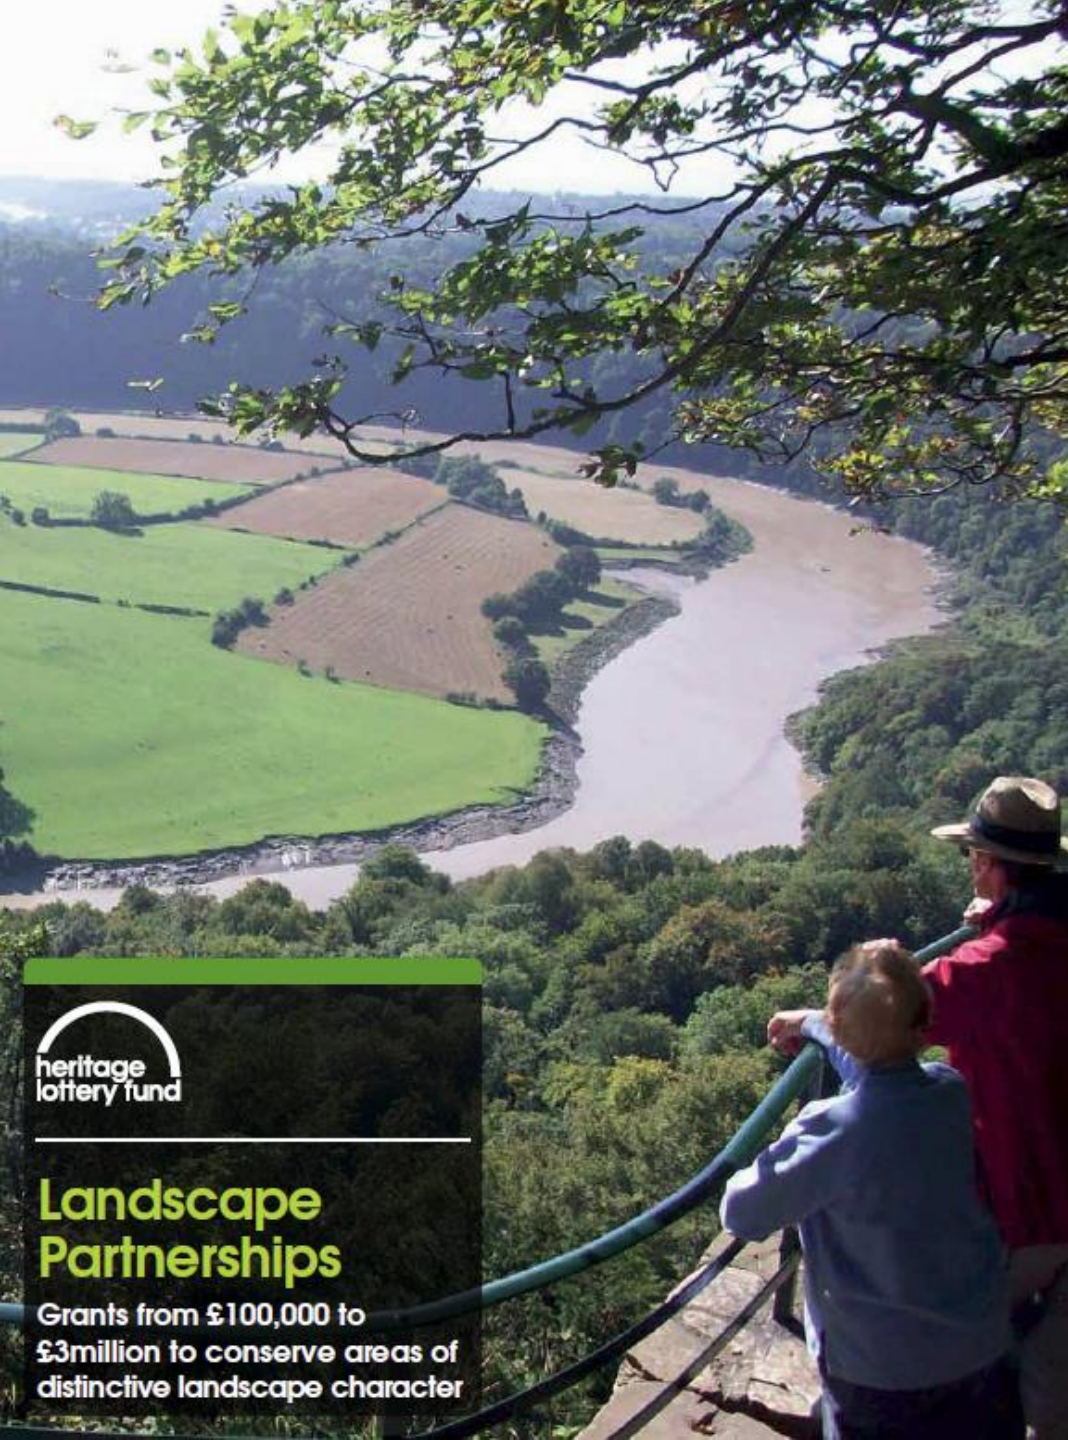

One top tip

Q and A

European Landscape Convention (ELC)
definition of landscape:

“An area, as perceived by people, whose character is the result of the action and interaction of natural and/or human factors”

Landscape Partnerships

Grants from £100,000 to £3million to conserve areas of distinctive landscape character

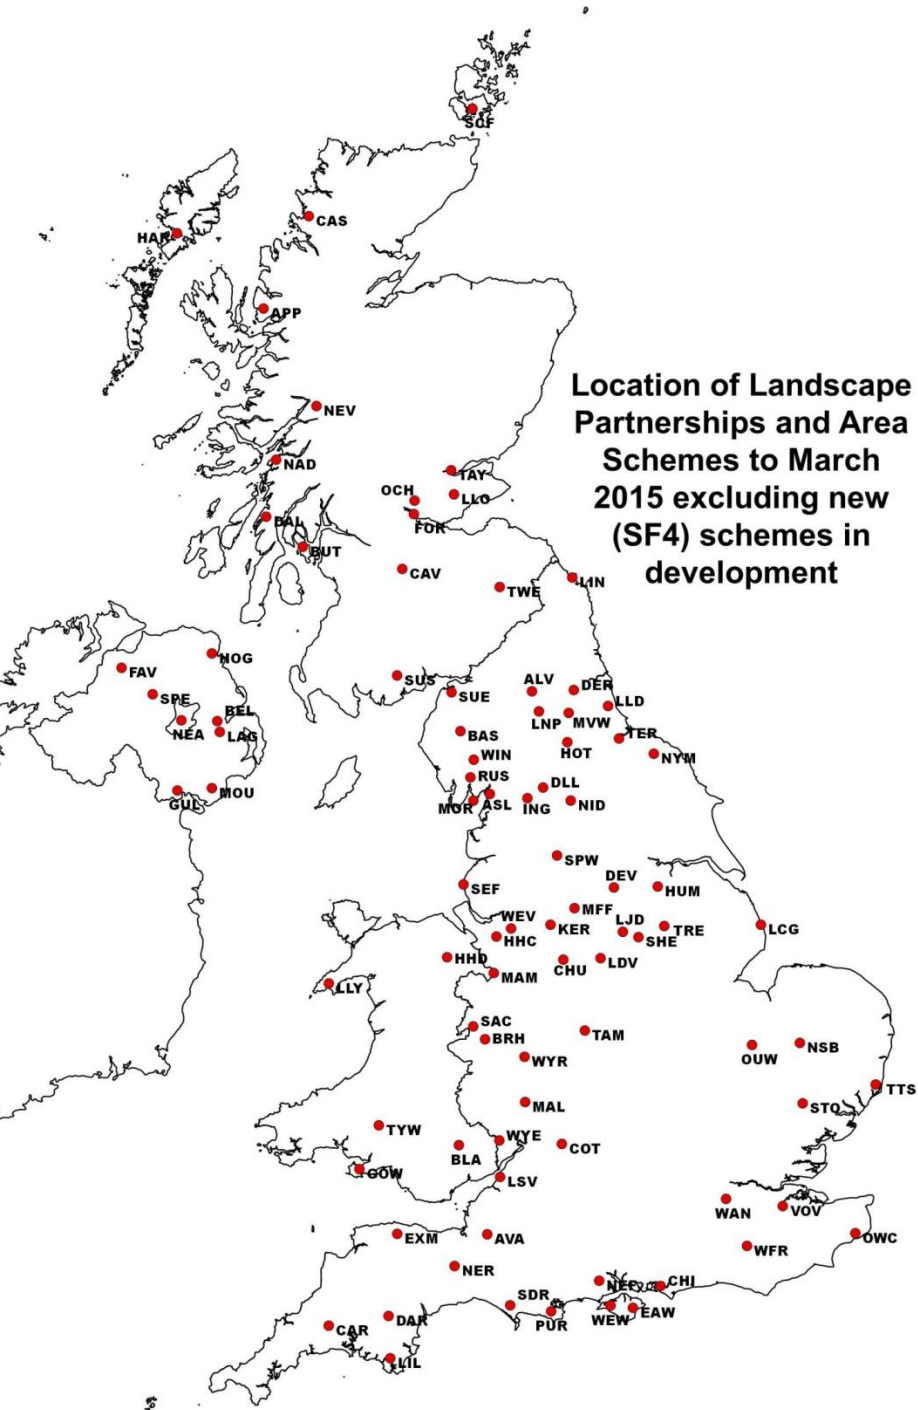

To support schemes led by partnerships which aim to conserve areas of distinctive landscape character

The programme is acknowledged as a significant funding stream for delivering the aspirations of the European Landscape Convention in the UK

It is widely agreed that nature conservation needs to be addressed at a landscape scale

| Heritage Sector: | Amount awarded (millions) | number of projects |
|---|--------------------------------------|-------------------------------|
| Community heritage | 1.62 | 97 |
| Historic buildings and monuments | 98.81 | 312 |
| Industrial maritime and transport | 33.71 | 113 |
| Intangible heritage | 13.93 | 1,233 |
| Land and biodiversity | 109.24 | 200 |
| Museums libraries archives and collections | 84.76 | 293 |
| Total | 342.06 | 2,248 |

By the end of October 2016
Landscape Partnerships will
have funded 100 schemes
across the UK at a value of
c.£200m to date

LP's cover 13% of the UK

We have funded 10 projects
in the North East

Awarding just under £21m

Attracting at least £16m
partnership funding

Landscape Partnerships in the North East – a success story!

Landscape Partnerships Key Facts

Annual budget of £20m

Grants from £100k to £3m

Recommended area size 20km² to 200km²

Focused on a defined landscape character area

Delivered in partnership representing national, regional and local interests

Overall scheme composed of many projects responding to the needs of the landscape

Nine Landscape Partnerships Outcomes:

Applicants must show how they will achieve all nine outcomes...

Heritage will be:

- better managed
- in better condition
- identified/recorded

People will have:

- developed skills
- volunteered time
- learnt about heritage

Communities will be:

- the local area/community will be a better place to work, live or visit;
- environmental impacts will be reduced;
- more people and a wider range of people will have engaged with heritage.

Mineral Valleys

“What is exciting about this project is that it celebrates the past and guarantees the future of our cultural and natural heritage. Together we can make a real difference to the quality of life in West Durham”. Tony Laws Natural England

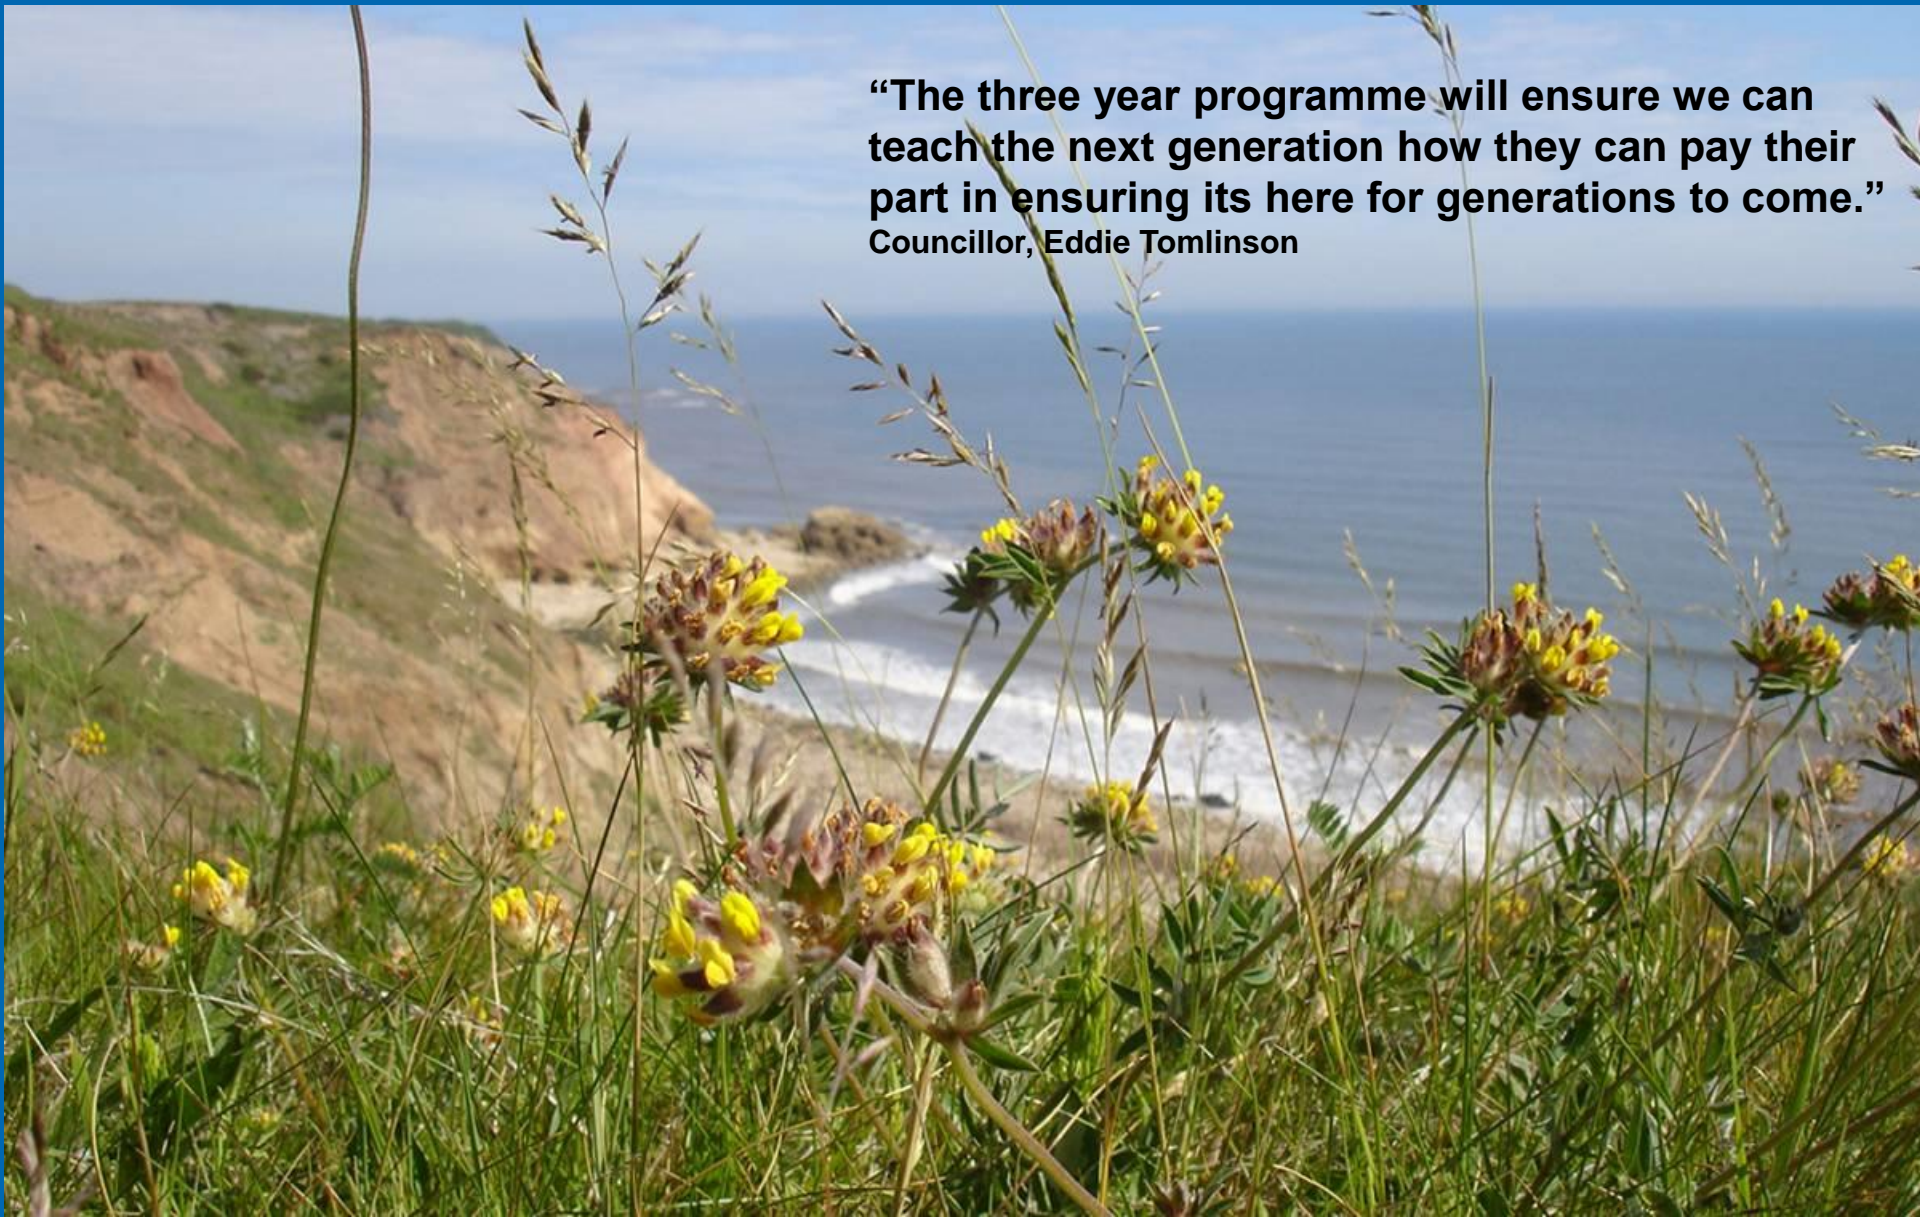

Living North Pennines

"This is excellent news for the life, landscape and communities of the North Pennines." AONB Officer Chris Woodley-Stewart

Limestone Landscapes

“The three year programme will ensure we can teach the next generation how they can pay their part in ensuring its here for generations to come.”
Councillor, Eddie Tomlinson

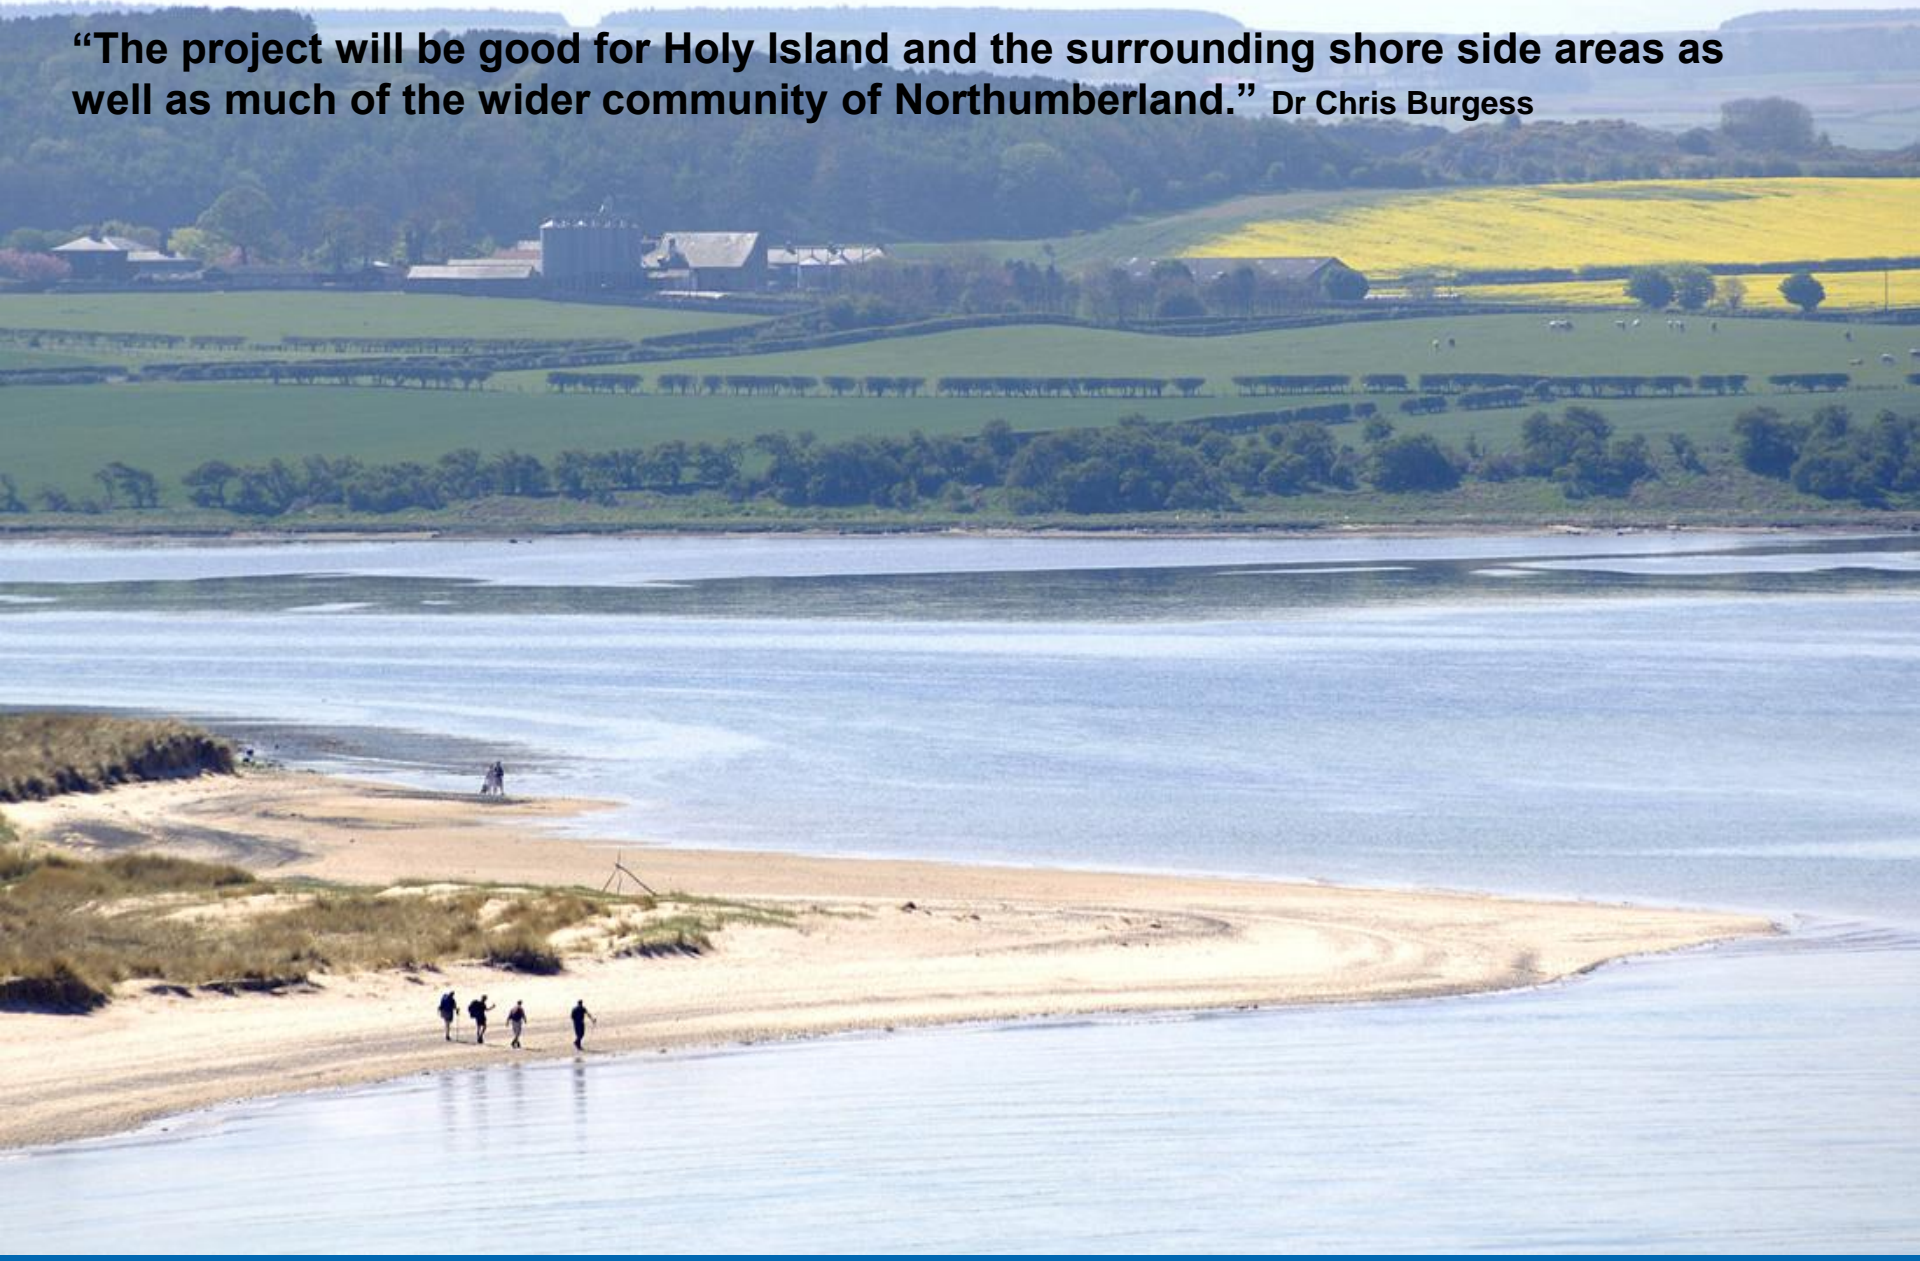

Heart of Teesdale

**“Through the regeneration project which is planned, the Tees Vale’s spectacular scenery will once again become a showcase for our whole county, helping to attract ever greater numbers of tourists and visitors to the region in the years ahead” Neil Foster
DCC**

Peregrini Lindisfarne

“The project will be good for Holy Island and the surrounding shore side areas as well as much of the wider community of Northumberland.” Dr Chris Burgess

River Tees Rediscovered

Our vision is to reconnect the people of the Tees with their river through telling the engaging story of the River Tees as a natural feature that has moulded the physical and cultural development of the landscape and communities through which it runs. Landscape Partnership Team

Land of Oak and Iron

Allen Valleys

This wide-ranging project will enhance the environment and the visitor economy of the area and will help ensure that the landscape of this part of the AONB remains a beautiful, natural and economically vibrant and sustainable place to live, visit and make a living.” Chris Woodley-Stewart
